Saint James School has had a great year and continues to grow, thanks to so many of you!

Saint James School continues to provide a quality Catholic education to its students and much more! People are taking notice! Enrollment was up this year as we welcomed twenty new students to the school. School began with ten iPads and seventy five ChromeBooks as technology is integrated throughout the school. Faith and service are important aspects of the school. Students go to church each week and do service projects for local and national organizations. Saint James is a Gold School of Distinction for its 5-2-1-0 Program (5 fruits or vegetables each day, 2 hours or less of screen time, 1 hour of exercise and 0 sugary sweets). Saint James teaches the whole child and our students are our greatest asset.

Students learn French in the class beginning in prekindergarten. Students take a STREAM (Science-Technology-Religion-Engineering-Art-Math) class. Sports, Choir, Students to Sisters, and First LEGO League (Robotics) are popular after school activities

Would you give a gift to our annual appeal?

Would you remember Saint James School in your estate planning to help ensure the stability of Catholic education in the future?

THANK YOU!

We are always trying to balance an outstanding faith-based education with what is affordable for parents. We also strive to pay our teachers fair and just wages. This year the entire staff is working on a self study to NEASC (New England Association of Schools and Colleges) to be the best that it can be.

Your donation to our Annual Appeal allows us to offer a Catholic education to area children, and helps us to purchase the necessary materials for our students and our teachers. It allows us to keep our tuition low, making it more accessible to families. It allows us to expand our educational programming and offer enrichment activities to our students. Your contribution is so important to our school!

We appreciate your past contribution(s) to Saint James School, the last Catholic School in the area. Please support your Catholic school by mailing in your contribution today.

We are so thoroughly blessed to have supporters such as you. Thank you for your past donation. Please consider giving your tax deductible donation to this years annual appeal before the year ends. Merry Christmas and May God bless you always!
